### **JANUARY/ FEBRUARY 2010**

By now you should all have received the special January mailing that contained the ballot for the election of officers and the vote regarding a proposed amendment to the ECTRA By-Laws. ***If you did not receive a ballot, let me know right away so I can send or e-mail another.*** If you mail your ballot: your name must be on the outside of the envelope so you can be checked off on the membership list; don't forget to write "BALLOT" on the envelope. It must be mailed to arrive by Thursday, Feb. 11th. Late ballots and those without name(s) in the return address area cannot be counted. **Remember that the deadline for mailing your reservations for the Winter Getaway and Annual meeting is January 25th.**

This issue contains all the Career Mileage stats for Riders, Drivers, and Horses. If there are any discrepancies, contact Greg Senseney right away.

#### **MEMBER NEWS**

Marcia Delaware's Appaloosa mare, High Country Piper, won the **National** Appaloosa High Mileage CTR Award this year! She also was notified that Piper was awarded the Champion Colorado Rangerbred Distance Horse title. She says "I never set out to do anything like this, but when it falls in your lap, it is really nice!" Congratulations to Marcia and Piper.

At the age of 27, my little Arab gelding RoylBlu Jamaica has passed the 3,000-mile mark in pleasure trail rides with New England Horse and Trail, plus he has 1,020 ECTRA miles accumulated when he was younger.

#### **UPCOMING RIDES AND EVENTS**

**MARCH 21<sup>ST</sup>** (1<sup>st</sup> day of spring): For WORKERS, VOLUNTEERS, RIDERS, and MANAGEMENT of the 2010 GMHA 100/60/40! We'll share a POT LUCK lunch at Betty Welles' house, from 11AM to 3PM. This invitation goes out not only to the state of VT but your other states that we draw from to make this ride happen. So PLEASE come. Betty asks you to remember that her house is small so plan on the overflow going to her barn! It will be a great time for everyone's thoughts on how to make this a perfect ride for everyone. This invite needs to be thru email/the ECTRA news letter/word of mouth so it's your responsibility to tell all the "friends" of this ride.

The dedication of this year's ride will be to all the winners of the 100 in the past 24 years. We will celebrate

these riders at the BBQ Fri night. We will need pictures and stories. Polly Smith is the coordinator of food this year but we are sure she doesn't want to start with the potluck. ☺ **MARK YOUR CALENDER – REMEMBER It's POT LUCK – SEE YOU THEN.** For directions call: 802-484-3208 Betty Welles ([bettywelles@gmail.com](mailto:bettywelles@gmail.com)) or 802-484-7845 Lee Alexander ([mule1@me.com](mailto:mule1@me.com)). THANKS! ---LEE

**SEPT 2<sup>ND</sup> – 3<sup>RD</sup> – 4<sup>TH</sup> – 5<sup>TH</sup>** – These are the dates of the 75<sup>th</sup> GMHA Vermont 3 – day 100. We are all very excited about the longevity and prestige of this ride. We have made some changes.....some you will love, and some you may not be so happy with. The biggest change is we are adding a one-day 40 on Sat. We feel it's a great addition and will meet the needs of some of the riders.

We will also have the Pleasure Ride which will be held in the new and improved Upwey Barn with extra stabling in our new "E Barn" that's close by. Jo Steele is the manager and is promising "good things"!

---

Note from the editor ---Every so often I get an e-mail from someone who can't remember their membership number or their horse's membership number. Print out or save these Career Mileage pages so you'll have a record that you can refer to when you renew your membership, need that information for the ride entry blanks, or need to check on your or your horse's mileage.

Your horse will receive its membership number **after** it completes its first ride, so if your horse has not yet accrued any mileage, he/she does not yet have a number.

Reminder --- When you register your horse for mileage, be sure to use the same name you used last year, and use this name on all your ride entry forms. If you use the horse's registered name sometimes, and its barn name sometimes, it causes a great deal of confusion and can really mess up your points and mileage tallies. P.6

*Dear Members,*

*You may not be a Ride Manager but it would behoove you to read the notice below just the same.*

To All Ride Managers and Sanctioning Agents,

New in 2010, you have two more options when planning your events; each was designed to appeal to a wider range of competitor. The first is the Conditioning Distance Ride event. The second is a change to the Pass/Fail Performance Division offered within a Traditional CTR event.

These are two different types of competition and it is **extremely important that you download the 2010 rule book and familiarize yourself with the rules pertaining to each.** If you need further help you may contact a board member or our sanctioning chair (contact #'s are on the ECTRA Who's Who).

In the meantime I hope this helps in explaining the main differences between the two:

1. **Conditioning Distance Rides (CDR)** are independent low mileage events (10-15-20 mile rides) designed to be an entry level competition for beginner riders/horses. CDR can also satisfy the veteran rider/horse that may not choose to do longer distances any more.

CDR makes allowances for the inexperienced competitor or older horse in that it allows for the wearing of leg protection. Leg protection may be helpful for an inexperienced horse that has not developed all the muscles to prevent interference, the older horse that may not move as well anymore, or the horse that may have a chronic interference problem (thus not traditionally CTR eligible). CDR also permits **any** type of hoof protection boot (AHP) with no restrictions. All protection above the coronary band must be removed for pre and post ride hands on vetting.

2. **Pass/Fail is a "Performance" DIVISION** and must be held within a traditional CTR distance of 25 miles or more. This is a Performance Division, not a beginner division. Riders are expected to know the physical and metabolic demands placed on the long distance horse and are required to have at least 150 CTR miles before being eligible to enter this division. Riders are also expected to know how to pace for the longer ride, thus no leg protection would be warranted (thus not permitted).

The Pass/Fail Performance Division will now permit the use of Alternative Hoof Protection (AHP). AHP is a broad name given for many commercial hoof protection devices used in lieu of shoes - for whatever reason. Some strap around the pastern to secure them to the foot. As long as they do not touch or extend above the fetlock joint, they are now permitted in the P/F Performance Division. AHP above the coronary band must be removed for pre and post ride hands on vetting.

The general membership has expressed diverse opinions as to whether any coverage above the coronary band should be permitted in ECTRA CTR. With this in mind the Board could not vote in favor of accepting them in all CTR competitions, but has agreed to allow them in competitions that carry NO YEAR END POINTS. Those competitions (TWO) that carry no year end points are CONDITIONING DISTANCE RIDES and THE PASS/FAIL PERFORMANCE DIVISION.

**MANAGERS, PLEASE TAKE NOTE:** The fee to sanction a CDR has been waived for 2010. In order to offer a P/F Performance Division, you must sanction for it along with normal sanctioning of your CTR and your entry blank must have a space to check off for those wishing to enter. The division offering will then be listed alongside your ride's name on ECTRA's ride schedule.

Hope this helps you to understand the premise for the rules. It is your responsibility to read the rulebook in regards to these new changes.

Ellen Tully

TO ECTRA's BOD

This is an important and official communiqué. Please respond by October 28, 2009 with your votes.

Any item that receives a request to Table or Amend will be put aside until the action to Table or Amend has been resolved. I don't think there are any surprises here as these topics were brought to the attention of the BOD by email over that past month. Hopefully we can resolve most of the items on the first vote:

**1. Motion by Tom Hutchinson** (seconded by P. Brooks) "Non-members signing up for 2009 ECTRA membership during the dates of November 15 through November 30, 2009, will receive their 2009 ECTRA sanctioned ride miles, but will not receive placing points." Passed: In Favor; P.Brooks, H.MacDonald, C.Jewell, J.Brunjes, N. Kohut DVM, T. Hutchinson, D. Rojek. Opposed; E. Tully, Abstained; L.Alexander

Note: Normally we condense info about seminars, but as I was about to send this issue to the website, I got a full page of info about the new CDR's and the Pass-Fail division. That left me with a blank page, and since we have to pay the printer even if there's nothing on the empty side, I figured we might as well print the whole flyer; Diane Saunders e-mailed me this just as I was wondering how I could fill up a whole page at the last minute.

Vermont Farriers Association  
Presents  
**Dr. Tracy Turner, DVM, MS,  
DACVS**  
**Lameness & Podiatry Issues  
In the Performance Horse**

When: Saturday, March 13<sup>th</sup>, 2010 Time: 9:00 AM to 4:00 PM

Where: Bristol Rescue Squad Building, 45 Monkton Road, Bristol, VT

Dr Turner apprenticed with a farrier in 1972 & used those skills to help finance his education through vet school at Colorado State University; he interned at University of Georgia, completing his surgical residency & MS at Purdue University. In 1986 he became a Diplomat, American College of Veterinary Surgeons. He was professor at several Universities & was Chief of Large Animal Surgery while at Minnesota. He is the world's leading author & researcher on the subject of navicular syndrome & heel pain in horses. Those papers have explained how it is different from or may be confused with more generalized pain & discomfort in the heel area, being instrumental in helping vets & farriers together around the world try new procedures for chronically lame horses, avoiding a lifetime sentence of unsoundness. He feels that lameness problems continue to be the most common causes of performance issues in our equine athletes. Dr Turner utilizes a number of different diagnostic techniques & treatments to determine the best treatment plan to return the individual equine back to its desired occupation. This includes involving the horse's vet, the farrier & perhaps referral vet care. Dr Turner is currently in private practice at Anoka Equine Veterinary Services, a leading equine referral center in the upper Midwest where his specialty is lameness, navicular disease orthopedics, podiatry & back issues.

Light lunch included in fee. Annual Meeting & election of officers will follow the clinic.

This clinic is open to everyone. For questions or further information, please contact Diane Saunders at 802-453-3750 or [dlsqtrhs@gmavt.net](mailto:dlsqtrhs@gmavt.net).
